## 7.5HP Performance Motor For All GEM Cars

The most powerful motor available for your GEM Car.

**50% More power, torque, & durability for 35+ MPH performance**

- Incredible acceleration, pulling power and top-end speeds under all driving conditions.
- True 35MPH+ cruising with increased reliability in all environments.
- The exclusive replacement motor used by Police Departments, Rental Fleets, and GEM Car performance enthusiasts world-wide.
- The only ventilated after market motor built to withstand more than twice the heat of a stock motor!

7.5HP Motor – Speed Check	
Modification	Speed
Stock Motor	23 to 25MPH
7.5HP Motor	32 to 33MPH
7.5HP w/14” tire	35 to 39MPH

**7.5HP Ventilated Performance GEM car motor**

- Safely cruise with traffic on 30MPH roads.
- Available for all GEM Cars, including 1999-2008 models.
- The best compliment to a set of Ride-4-Fun Aluminum wheels and tires for nearly 40MPH performance.
- Be sure to ask about expert re-programming to get the most performance from your new motor

When 23-25MPH just won't cut it – You simply need more horsepower.  
 Increased reliability, wild top-end, awesome acceleration and MAXIMUM FUN!
